## PROFESSIONAL WORK EXPERIENCE

**Costain-Laing O'Rourke JV (Farringdon Station)**

**Jul 2011 – Sep 2011**

- **Package:** Construction of Thameslink Integrated Ticket Hall adjacent to future Crossrail West Ticket Hall.
- **Skills/Responsibilities:** Managing and communicating with a team of sub-contractors, management of site, quality assurance and interface with third parties to contribute to the delivery of the sub-structure of Farringdon's new integrated ticket hall (£15m) alongside operational railway infrastructure including reinforced concrete and steelwork.

**Costain-Skanska JV (Pudding Mill Lane)**

**Jul 2010 – Sep 2010**

- **Package:** Crossrail enabling works framework, for the construction of the Pudding Mill Lane Portal.
- **Skills/Responsibilities:** In charge of site setup and boundary location, welfare layout, access and egress routes and surfacing. Tasked with managing the control and removal of Japanese Knotweed. Works undertaken had to be in accordance with the governing bodies of the Olympic Site, London Underground, Network Rail and Newham County Council interfaces. Rerouted the current railway bridge during night possessions. Reviewed and altered method statements, risk assessments and quality documents, site temporary works coordinator.

**The King's School, Sydney, Australia**

**Jun 2007 – Jun 2008**

- **Skills/Responsibilities:** I was selected as one of six Gap Students/Assistants for Australia's oldest School of over 1400 Students ranging from 4-18years old with a mixture of Boarders and Day Students. I was given the responsibility of managing the under 15A Football Team who became champions of the Great Public Schools of New South Wales Championship under my management. I was also a responsible classroom assistant, Disabilities and Additional Needs Support assistant, Student Mentor, PE Teacher and Deputy Boarding House Master during my time as a GAP student.
